OLDSMAR, FL 34677

ILLINOIS
INTRASTATE TELECOMMUNICATIONS SERVICE OFFERINGS
EFFECTIVE: JANUARY 1, 2016

General

TransWorld Network, Corp. provides intrastate, inter-exchange telecommunications services between locations in Illinois. The Company offers direct dialed 1+ outbound, inbound toll-free, and post-paid calling card services. Services are available to both residential and non-residential customers and are offered in conjunction with interstate and international telecommunications services.

For further assistance with obtaining rate or other charge information or the terms and conditions of service, contact us toll-free at 1-800-950-3015.
